- **Winter Institute Student Session**
Chris Burns and Lisa Sutterfield having been working hard putting together the session. As of right now former interns will serve on the panel along with a Manager that has had an intern. Currently the 2008 Fellow Matt Baumgarten, former intern now Wyoming employee Sall will be participating and the Chris Burns will serve as the Manager. Since this the same format used last year we believe it be equally successful.

Additionally Victor will compile the list of internships to be distributed to students at the conference.
