

Minutes of the Community Education Committee

Thursday, October 14, 2010

10:00 a.m.

Conference Call

The Meeting was called to Order by Chairperson **Christine Burns** at 10:00 a.m.

Those present: Matt Baumgarten, Christine Burns, Victor Cardenas, Ryan Cotton, Jeff Lawson, Mark Rambo, Adam Smith, Ben Swayze and Michael Young.

Winter Conference Student Session

The student session is Wednesday, February 2, 2011.

The structure of the student session is similar to 'speed dating' whereas we have managers at round tables and the students would rotate to each table after a set amount of time. The tables will be broken down by geographic location and size (of the community) so that the students can select the tables that are relevant.

A letter was emailed to committee members earlier in the day. That letter should be personalized and mailed to the respective universities no later than the first week in December with follow-up letters mailed after the students return from Christmas break in January. It will likely also require a personal phone call closer to the conference.
